

EV Charging Locations

Alectra Energy Solutions owns and operates a growing EV charging network with more than 100 chargers across Ontario. Strategically located in community hubs, workplaces, and public spaces, our network supports the shift to electric mobility for drivers, businesses, and commercial operations with reliable Level 2 and DC fast charging.

With a strong focus on fleet electrification, Alectra Energy Solutions is expanding access to charging infrastructure and helping enable cleaner, more sustainable travel across the region and beyond. We operate across Canada and are currently developing charging solutions for customers in British Columbia, Ontario, and Quebec.
